PICK YOUR GLASS PERFORMANCE

Harvey provides a variety of glass options that meet or exceed Energy Star® requirements. Depending on your climate zone, you can choose the glass package that's just right for you and your home.

ThermaLock

Surpasses Energy Star Requirements in these Zones

N	NC	-	-
---	----	---	---

A specialized UV-filtering Low-E glass coating reflects heat back into your home while Argon gas insulates air between the panes, keeping your home's inside temperature consistent, and preventing the effects of outside temperatures, yet still allowing sunshine in.

ThermaGuard

Meets Energy Star Requirements in these Zones

-	NC	-	-
---	----	---	---

Industry-leading Low-E coating combines with Argon gas for effective insulating properties, keeping the inside of your home comfortable and assisting with energy efficiency.

SunGain

Meets Energy Star Requirements in these Zones

N	-	-	-
---	---	---	---

SunGain utilizes High Solar Heat Gain Coefficient, meaning more of the sun's rays penetrate the glass, offsetting heating costs in colder climates. SunGain also has our highest Visible Transmittance (VT) rating which means it allows more natural sunlight in.

- Durable, multi-chambered vinyl frame is fusion welded for extra strength

- Both sash tilts in for easy cleaning

- Metal cam lock + limit latches provide security and ventilation

- Block and tackle balances allow for a lifetime of smooth opening and closing

THE CLASSIC STORY

Ideal for property owners who value both style and excellent performance, the Harvey Classic vinyl double hung window comes with a variety of color options, grid styles, and energy saving glass performance packages. There are also full and half screen options like easy-to-use **FlexScreens** or premium **VIEWES** mesh for a brighter view and 25% more airflow.

Unlike fiberglass or other low-grade vinyl products, the Harvey Classic will not chip, fade or degrade over time. So, no matter how you choose to customize, the Classic is a smart, sustainable addition to your home.

We've got you covered.

For over 55 years, we've built our reputation on the craftsmanship of our products and our world-class customer service. You can rest easy knowing that Harvey windows are backed by our Clear Confidence Warranty and that our commitment to your home lasts a lifetime.

CLEAR:

Your windows are warranted *for life* on any defects in structure, parts, and mechanisms, and for 20 years on interior glass seal failures.

CONFIDENCE:

We are confident in the quality of our products, but if something's not quite right, you can count on our highly trained, US-based customer support specialists and field technicians to solve your issue over the phone or at your property if needed.

CONVENIENT:

We make receiving replacement parts easy, including full sash replacements for glass repairs—no professional glass installer needed.

With this kind of coverage, it's easy to see why **J.D. Power ranked Harvey among the top*** manufacturers in their customer satisfaction study.
